# Why Choose LTC Solutions

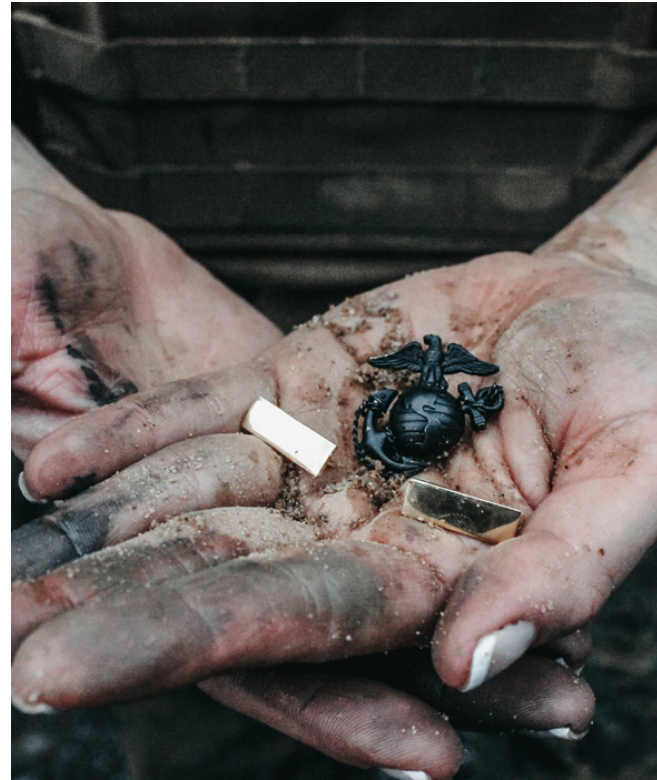

Just as U.S. Marines must earn the Eagle, Globe, and Anchor during the rigors of their training process – while living by the Core Values of “Honor, Courage, and Commitment” – LTC Solutions, LLC must earn the right every day to provide successful and sustainable support to the Corps and all of our clients.

Our mission is to provide our federal clients acquisition expertise, technical services, and cost-effective solutions with qualified professionals who consistently EXCEED their clients’ needs.

Our vision is to be THE “go-to” small business partner for our federal clients. Our objective is to become our clients’ trusted advisor, providing management and technical solutions that will meet or exceed their existing and evolving needs.

We accomplish this by providing the best possible environment for our employees for job execution, skills development, and teamwork.

We provide only the best in client service and support, allowing us to demonstrate our team’s versatility and our dedicated and collaborative approach to serving our clients!

## What Sets Us Apart:

### Our People

- All Account Management personnel are eligible for the Government Market Master™ Certification.
- We provide a Superior Service Guarantee for Service Level Quality, Timetables, and Budgets.
- We provide a Customer Value Index (CVI) Survey, Process and Methodology for Satisfaction, Loyalty, and Advocacy.
- All work is completed in the spirit of U.S. Department of Commerce’s Malcolm Baldrige National Quality Award (MBNQA) standards. (All key processes are documented, measured, and repeated.)
- Whenever feasible, we leverage local team members to meet the client’s objectives – ensuring all work would benefit our state residents and our local businesses.

### Our Company

- LTC Solutions only recruits and retains employees who have an entrepreneurial spirit and a passion for excellence.
- Our employees leverage their experience to establish a proactive approach for providing the best possible solutions for our clients.
- Our professional consultants have combined experience in the military, government, and private sectors to understand and address our clients’ needs. We have the diversity of experience, education, and training required to serve a wide range of academic, government, and industry clients.
- Our consultants include alumni from large integration and consulting firms, as well as government agencies with degrees in business, technology, or engineering. Over 61% of our team has served in the military.
- Certifications include DAWIA, CICM, PMP, ASEP, and Enterprise Architecture Certification.
