Small Business, HUGE commitment.

LTC provides Engineering, Information Technology, Program Management, Cybersecurity and Acquisition Logistics services to our Federal Government and Prime Contractor clients. Our consultants provide expertise in the field, aboard Amphibious Assault Ships, and at Government sites worldwide.

Established in 2008, LTC Solutions is a Virginia-based, Service-Disabled Veteran-Owned Small Business (SDVOSB). Our DoD clients and the veteran community speak the same language. Over 70% of our staff are veterans. We are proud to consistently earn the Department of Labor *HIRE Vets Gold Medallion* for recruiting and Veteran support initiatives.

We provide expertise to multiple organizations within Marine Corps Systems Command including Systems Engineering & Acquisition Logistics, Program Manager Intelligence Systems and Cyberspace Operations, Program Manager Tactical Communications and Electromagnetic Warfare Systems and Program Manager Combat Support Systems. We also support Marine Corps Intelligence Activity.

LTC Solutions supports our consultants and our clients from our headquarters in Stafford, Virginia. We maintain NIST-SP 800-171 and DFARS 252.204-7012-compliant IT systems. Our on-premises Facility Security Officers (FSOs) and Information System Security staff safeguard our people, physical spaces, and our data.
