

# Trusted Support.

*Ethical, Agile, and Consistent Service*

## Small Business, HUGE commitment.

LTC Solutions provides Engineering, Rapid Prototyping and Production, Program Management, Cybersecurity and Acquisition Logistics services to our Federal Government and Prime Contractor clients. Our experts provide support in the field, aboard ships at sea, and at Government sites worldwide.

Established in 2008, LTC Solutions is a Virginia-based, Service-Disabled Veteran-Owned Small Business (SDVOSB). We are proud to consistently earn the Department of Labor *HIRE Vets Gold Medallion* for recruiting and retention.

We provide expertise to multiple organizations within Portfolio Acquisition Executive Marine Corps, including the Office of the Chief Engineer, Program Manager Intelligence and Cyberspace Operations, Program Manager Tactical Communications and Electromagnetic Warfare Systems and Program Manager Combat Support Systems.

LTC Solutions supports our experts and our clients from our headquarters in Stafford, Virginia. We maintain CMMC 2.0-compliant IT systems and cybersecurity practices. Our on-premises, Top Secret-cleared Facility Security Officers (FSOs) and Information System Security staff safeguard our people, physical spaces, and our data.
